## Moving Forward: A Transition Update for VBBC

*Thank you for your patience and grace!*

- We are so excited to begin worshiping in our new home! Thank you for the incredible grace, giving and patience you've shown during this build. While the transition brings many changes, we are eager to see how God uses these new spaces for His glory.
- **Building Names & Purpose:** Language usage is important; we are the Church, they are buildings.
  - **Worship Center (WC):** 706 E. 7<sup>th</sup> Street. Our primary location for worship services and fellowship.
  - **Ministry Center (MC):** 702 E. 7<sup>th</sup> Street. Our hub for Sunday School and extracurricular activities.
  - **Note:** We have occupancy, but the WC is not finished. It is a functional "tool" for worship, even as we work toward adding final comforts and try different options. Tables and chairs arrive in February.
- **Next Sunday:** First service in WC. Same times, NO Sunday School.
- **Elders value your perspective.** They will be available before services, after services, via phone, email or at the February 7<sup>th</sup> board meeting. We will be reaching out to families with children soon, to seek input on changes.

- **Important Dates & Logistics**
  - **Nursery:** Available next Sunday. It is required to sign children in and list your cell number for contact.
  - **Sunday School:** All classes are postponed until **March 8<sup>th</sup>**. We are currently evaluating and seeking input on Children's Sunday School times. Options are during or between services with many considerations: movement between MC/WC, children's security (non-negotiable), student numbers, teacher availability, time commitments, teaching length and many to come from your input.
  - **Service Flow & Times:** We are currently evaluating and seeking input for best use of service times, worshipping & communion times as family and which Sunday School time is preferred.
  - **Input & Ideas:** Have ideas for furnishings? Please reach out to our **Strategic Hospitality Team** (Dave & Donna Billings, Joy Miles, Katie Froning, or JP & Kimberly Johnson). Your suggestions help the Elders make the best decisions for the best uses of our space.
  - **Attend One & Serve in One:** We need help to make everything happen more than ever. This is the time to use your gifts and talents in serving one another. Many new critical volunteer spots to fill.
- **Caring for Our New Home:**
  - **Parking & Mud:** Please use caution when entering. The parking lot material tracks in very easily.
  - **Food & Drink:** To keep our sanctuary space reverent and clean, please enjoy all food and beverages in the Lobby only. You are able to watch the service live via the lobby TV!
  - **Cleaning WC:** Is going to be contracted, but we ask for everyone to help in keeping it clean.
- **Help Needed Today:** If you could help move chairs and items to WC after second service today, we would greatly appreciate it.
